- Sculpture

**For anyone serious about pursuing a career as a practicing visual artist in Australia, the Asia-Pacific and beyond, the place to study is the National Art School (NAS) in Sydney.**

NAS is Australia's leading 21st-Century art school at the forefront of contemporary practice that celebrates diversity and new ideas while being grounded in practical studio-based learning and development. At NAS all lecturers are accomplished practicing artists who will work with you to discover your own creative voice, hone your ideas, visualise your stories and show you the incredible and varied opportunities and rewards of life as an artist in this country and on the world stage.
