## FASHION DESIGN

Fashion Design

### Bachelor of Design (Fashion Design)

New fashion brands are emerging all the time. Digital channels are allowing designers to not just show their work, but also tell their story and connect with audiences that share their values.

If you love fashion and want to see your work on the catwalk, QUT can put you on the right path. Your skills will be rounded with real-world experiences through work integrated learning, study tours and chosen electives. QUT fashion students have completed international exchanges to London, Milan, Berlin, Amsterdam and Delhi, and secured internships with leading global brands including Alexander McQueen, Vivienne Westwood, Antipodium and Tom Ford. International business skills and bilateral connections with designers are encouraged through integrated programs.

**The QUT Design Festival** is a pivotal opportunity for students to celebrate and showcase their hard work, solidifying their next steps towards a design career.
